

The International Headache Society is the world's leading membership organisation for those with a professional commitment to helping people affected by headache, and collaborates with partner societies such as the World Federation of Neurology.

Our main focus is on educating neurologists worldwide about headache medicine and offering the latest research through our journal, Cephalalgia, and **membership for doctors and researchers from Serbia is free of charge!**

If members of the Serbian Society of Neurology want to learn about headache medicine they should join IHS - just visit the IHS website (www.ihs-headache.org) and register as an Associate Member.

Associate Members receive

- online subscription to the IHS journal, [Cephalalgia](#)
- download of Cephalalgia apps
- access to the [IHS online learning centre](#)
- eligibility to attend IHS webinars
- early access to IHS clinical trial guidelines.

More information on the [IHS website](#).

The [IHS website Online Learning Centre](#) content includes videos, webinars and podcasts on hot headache topics and meeting presentation from associated societies such as the American Headache Society and Migraine Trust International Symposium.

Our bi-ennial congress, [IHC 2021](#) will take place in September 2021, and for the first time we will join with the European Headache Federation for a joint event. The congress will be live streamed to enable virtual participation. Abstract submission is now open and IHS members receive reduced registration fees for the congress.

I would be most grateful if you share this important information with your members.

Messoud Ashina

IHS President
